“ *Arval was the oldest of his siblings and a second father to them. He was loved so much by his family and friends that the entire church pews were filled up. He is going to be missed forever. I knew him since I was 4 years of age, the Catlett family were like a second family to me (growing up with his youngest sister Julie Mae Catlett Bledsaw). The love that was shared for his wife and children were the biggest drive and made him the happiest person of all. He was a self made man and was an awesome provider. Love you Arval, happiness for you is not joining Judy and all your loved ones in that meeting in the air.*
