“ *My condolences to the Trower Family. I have such wonderful memories of Bobbie and Bill Trower. They are kind, decent folk that welcomed my family and I when we first moved to AZ. We spent a couple of summers visiting with them on occasion in cool Showlow, AZ in their Con Do as Bill liked to call the two trailers they hitched together to make a great summer home for them and Mother Lucille. Bobbie would call me for computer assistance when she was having trouble sending emails to her family. Such a wonderful family. My birthday is October 2 and Bobbie was on my mind strongly on Oct. 3rd. Now I know why. Rest in Peace my friend, until we meet again.*

“ *Bobbie was a lovely lady and I cherish the friendship we shared. I remember when we attended school at Hays Chapel and after the pledge to the flag, we sang songs. One song has Juanita in it and sometimes it had Nita. Bobbie would always look at me and smile. She has such a wonderful loving family and many, many friends. I look forward to seeing her in heaven someday. May God comfort all of the family. Nita Wood Sturgeon*
