“ *I will miss you Bobbie! You were such a blessing to me. I appreciated your friendship when you came to see me for your wax. It was such an honor to get to get to know you and I'm glad God made that happen. And i know God sends people across our paths for a reason and I'm thankful for that. I know we will see you again in Heaven with Jesus. I will continue to pray for the family. Love, prayers and blessings go toward the family. Merry Christmas! Sincerely, Joy Moyer*

“ To two of my dearest friends Natalie and Karen. I just cannot find the words to say how sorry I am for you to lose your Momma. Oh what sadness this brings to my heart for the both of you I just cannot I just cannot express to you how my heart is bleeding for you two. I'm not going to pretend that I even begin to know how you feel because I don't and all I can say is that I'm just praying for our Lord and savior to keep his comforting hands and arms wrapped tightly around you to just give you the comfort and the protection for the loss that you both need. Your mother was a beautiful lady and was also very sweet and kind to me my whole life. She made a very big impression in my life in my mind and in my heart forever. I feel bad for the grandchildren AJ comes to mind because he was so close to my son Elvin Lewis "Bubba" Gilbert. I know that this has to be hard on these young kids because their generation is already so rough that what little bit of good upbringing they have and have had in their grandparents it's just what little bit of grace of God we've had to hang on to for our kids that a good seed has been planted in them from their grandparents expecially when they have been Christian folks that have planted that seed in our kids. I just want you both to know that I'm praying for you and I care and if there's anything at all I can do please let me know. Please tell your dad that my parents Lewis and Bobbie Denton send their deepest sympathy and also me and my boys and family. Just know that we can hang on to the hope of we don't have to say goodbye now Mom just we will see you again someday soon in that sweet by-and-by. Love and prayers to all of you and may God bless and comfort each and everyone. 🌹 Mischele Chele Denton 💎💎💎💎🙏🏻🕊️🌈
