“ *We remember Bonnie as a wonderful neighbor. Mom says she can still see Bonnie, Vickie, and Mrs. Jackson bringing me up the street from a babysitting adventure. I remember her cactus garden. Every time I fell in that garden, I was rewarded with an ice cream pop. Bonnie was my Sunday School teacher a couple of years and mom and I still recall the advent season when the fishing line broke and a wreath came crashing down from the back wall of the choir loft landing right on Bonnie. After she moved from Catoosa, we enjoyed seeing her on occasion and remembering the good times. Our sympathy to Jeff and Vickie and their families. Naomi and Don Lynch*
