“ Dear Lori and John, I know this is really hard, but with God's help, you can get through it. And life goes on, and you know your mom would want you to go on and live a full life with your kids and someday grandkids too. And in your heart, you know she is with our Lord and Savior and having a great time with her family and friends who has gone on before. Think of the good times. I can't come to the funeral with this back surgery. I don't want to ride that far just yet. But know that you and your family are in my prayers. Love to you and John and the kids.
