“ You are truly missed. You treated me as family even after I wasn't really. I will always remember the last time I saw you. You smiled at me and gave me a big hug and a kiss on the cheek. I couldn't go to the funeral home because I wanted to keep that last memory alive. I know you are flying high in God's kingdom and watching over us.

“ I want to offer my condolences to the Lee family. It is a painful thing to lose a love one in death and it pains our creator who has promise to bring our love one back to life. Hosea 13:14 says "From the power of the Grave I will redeem them; From death I will recover them" Revelation 21: 4 says "and he will wipe every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore..." I hope these words give you comfort.
