“ *My favorite memory of my Uncle David was him catching me and Amber sneaking up in middle of the night and saying from the pitch black living room what are yall doing? In his deep booming voice , and how he scared the dr pepper wed just drank out of two teenage girls and sent us squealing back to Ambers room knocking each other over to get away! And him chuckling at us as we ran back down the hallway. amber scolding himDaddy! After we were done squealing. Priceless. Love you Uncle David.*
