“Dustin was my oldest brother. I will never forget how he used to pick on us and pinch us with his toes. He could be such a pain but so sweet when he wanted to be. He called me not too long ago because he bought an air conditioner because he thought I might need it. I didn't take him up on the offer but I thought that was so thoughtful. He will be missed! I love you Dustin!

“Dustin Long was one of my best friends growing up. Dustin and the Longs were like a 2nd family to me. We grew up in the same neighborhood. Too many memories to share them all so i will just name a few. 1. Catching my first sand bass on boat with Dustin and Gary. 2. Playing war in the woods with our bb guns. 3. Summer church camp. 4. Going with the Long family to Worlds of Fun. 5. Attending Gracemont Baptist church with Dustin where i was saved and Baptised. Although Dustin and I went our separate ways after school he was always in my heart. Dustin was kind and giving. He was always there to help, to show you how to work on a motor or anything. He wasn't afraid of living life. He will be missed, and my prayers are with the Long family and anyone who knew Dustin. Sincerley Ken Edelman

“ " " " " Four or five years ago Dustin and I were running around Tulsa together doing errands. One of our stops was a document service and we went inside to pick up his order. The very nice (good looking) young female attendant was running thru the list of names in her stack of the completed items. As she was searching through her files she was repeating his name. Dustin, Dustin, Dustin, Hmmm is it Long sir? Will no hesitation Dustin tells the clerk. Why Yes, Why yes it is. The look on the young ladies face was priceless.
