“ I just heard about Dwight's passing through an IBMer Ron today and my heart goes out to the Fields family. I loved working with Dwight in Sterling Forest for many years. His smile and laugh was contagious. I always managed to get a big hug from him whenever we saw each other. I love sitting behind him in computer classes and just checking out his muscles as I always made him blush and laugh over it. I will remember him in my prayers tonight and send him hugs up to heaven. God Bless his family. Love Janet
