Obituary

Enrique (Rique) Sean Lopez of Bristow passed from this life on May 22, 2020. He was the son of Rene' Zabala Lopez and Kamora Ann Martin and was born on September 7, 1975 in Tulsa. He was a 1994 graduate of Nathan Hale High School in Tulsa. After high school, Rique immediately commenced working as a contractor and enjoyed a mixed career spanning equestrienne track building, wired cable installations, satellite dish installations, fiber optics cable laying, Arrow Engines Maintenance Manager, CNG station maintenance, and home repairs and remodeling. He married Shelley Lynn Davis on November 13, 1999, in Tulsa, Oklahoma, and shortly thereafter they moved to Bristow, Oklahoma, and started a small farm with chickens, goats, miniature donkeys, horses, and many other creatures. Rique was licensed to house and grow reptiles of all sorts and kept three alligators in the required double fenced and double locked pen. That required the growing of rats for food and Shelley maintained up to 80 rats at a time on average. He was also known for his almost magical ability to get any small engine running even after years of non-use. He enjoyed motorcycles, specialty tools, skid-steers, four-wheelers, generators, tractors, his bucket truck, and many work vans customized inside to organize his many tools and small parts. Rique was loved by all who knew him and his winning smile made many friends. He would go out of his way to tow friends' vehicles, haul large equipment (even interstate), help many people move from house to house, and help out in any

way he could. Whatever he set out to do, he did, no matter what. He had worlds of confidence and rarely was he mistaken. He also enjoyed his annual deer cabin hunts in Arkansas and Oklahoma over the years.

Rique was preceded in death by his mother, Kamora Ann Sains, who passed away on May 8, 2020. He is survived by his wife, Shelley Lynn Lopez, of Bristow; his father, Rene' Zabala Lopez of Tulsa; his sister, Cheri' Hatfield (Mike) and their three children, Adam, Andrew and Alex, all of Tulsa; two brothers, Bryan (Crystal) Vann-Lopez of Broken Arrow and Shane Lopez of Tulsa; and one sister, Keely-Shaye McCoy (John) of Edmond.

Rique will be missed by all of these kinfolks as well as a multitude of friends and past co-workers and contractors. He will remain in the hearts and memories of the Lopez and Davis families forever. A memorial service will be held 11:00 AM, Saturday, June 6, 2020 at St. Anne's Catholic Church, 301 South 9th Street, Broken Arrow, Oklahoma.

“ This breaks my heart to hear this news tonight, and I wish my condolences to the family. The first time I met Rique was at annual deer camp in Arkansas, with my best friend Kerwin Davis. From the moment I met him, his personality was infectious. I could listen to that man had to say for hours, although he was a man of little words. He could convey so much, by saying so little. I instantly knew he was a wealth of knowledge, and I was eager to learn from him all that I could. And especially when it came to making steaks out in the woods. Boy oh boy, could this man make a steak! The last time that I saw him, was at Erwins funeral. We all were coming to the realization that Erwin was gone, and it was rough. Rique made a point to go out of his way for the Davis family, and Kerwin and I. I think maybe I speak for Kerwin, and I when I say; when Rique spoke to us, it was like a portion of the gravity of the situation was lifted from our shoulders. We were able to leave with a semblance of restored confidence, and an appreciation for life, that we certainly did not arrived with. I don't know many people who can provide that kind of effect on people, especially leaving a loved ones funeral. I believe that speaks volumes on Rique's personality, his character, and his overwhelming care for others around him. In all, Rique my friend, you will be dearly missed. Deer camp certainly won't be the same without your glow, your humor, your infectious personality, and quality stories. When we return to deer camp, we'll be certain to pull up a chair, and pour a drink for you, and Erwin alike! Rest easy brother, and I hope to see you again one day, when my time comes.

He loves Shelley so much and I have dozens of stories he has told over the last 19 years cutting his hair. He will truly be missed by everyone. One of my favorite people ever!*
