“ My favorite memory of Sue is when she worked at Plunkett drug store behind the counter as sort of a soda jerk. She served many many kids from after school and at noon time. She made the best cherry phosphate drinks ever! She always had a smile and hardy laugh that was contagious to all. You will be missed Sue but you've given me lots of sweet memories. All the family will be in my prayers💎💎

“ One of my favorite memories of Sue was when I was a very young teenager I would use her makeup every Sunday and she never complained. As I grew older she would let me borrow her clothes (she had really cool clothes)! RIP Sue! 💎'-💎'-

“ Robin Tedder I'm so sorry to hear of Sue's passing. I always enjoyed working with Sue at City Drug. She always wore a smile and loved everyone as though they were a part of her family. She was a real delight with her laughter and positive outlook. Several years ago when she was so ill and in the e Nursing Home for recovery snd rehab, I had a chance to tell her just how much her friendship meant to me. I wouldn't trade that time with her for anything, as she seemed so genuinely surprised. My thoughts and prayers are with you all during this difficult time. 💎'💎
