“ *To those visiting this page, I want to thank you from the bottom of my heart. My dad (my poppyseed) was such a special person. He was and will always be my everything. I appreciate you all for being a part of my daddy's life. I know he's up there spoiling his granddaughter now. My hope is that you will never forget him; that your memories of him will never fade. He lives on in each of us through those memories. And as long as we have those, we still have him. Poppyseed, I love you so much ~Brandy*
