“ Gary was always dear to me. He was such a sweet little guy and had the kindest heart God could give anyone. His Grandma Bea always said he had the prettiest eyes she ever saw. I don't think I ever heard him say a harsh word about anyone, and he always asked me about my kids and grandkids. Gary always had a smile on his face no matter how he was feeling. He was a fine man, and I will miss him terribly. He will always have a special place in my heart. Eternal rest grant unto him, O Lord...
