“ I remember growing up on the farm with your dad. Getting up at the crack of dawn to run and catch the bus. Once the school had a rodeo and your dad rode a bull. I was so scared he would be hurt. Love Diana

“ Kim, Shelia and Chris- I know words can't comfort you during this time. Your Dad was a good man and was proud of the adults that you have become. I'm truly sorry that I'm unable to attend tomorrow. Gary was like a big brother to me growing up. I almost drowned in the pond when I was a little guy and he had to jump in and save me. To this day I still get flash backs from being under the water. I'm sure you didn't know that I was also the chaperone on your Dad and Moms dates when they first dated. ;>). That was Granny and Grandpa's idea but I'm sure I didn't mind going. Have comfort knowing that your Dad is with Granny and Grandpa. Matthew 5:4 "Blessed are those who mourn, for they will be comforted." Thoughts and prayers to you all. Landon
