“ *Tracy has been my friend since we were about 13 yrs old. I knew her mom & dad & they were my dads good friends. Bowled together raised kids around each other. Mary impressed my dad with a story about when she ran the 7 Eleven and some guy decided to do a beer grab and she chased him down and beat his butt and took her beer back! Lmbo! Gene was quiet until he wasn't lol. I didnt get to spend a lot of time around him but he was a lot like my dad. You mind when your around them cause we knew they didnt play. I miss those times and sad they had to go away. But I KNOW we will be with them again in Heaven! I truly believe this! I am very sorry to the family members left behind. Your mom & dad were proud of everyone of you! No matter what some of you thought about letting them down! You didn't!❤️*
