“ I loved the times with my grandmother she had a wonderful sense of humor and was a little sassy. The children where glad to meet her and get to come along on outings with us. She will be greatly missed. It meant so much that even in midst I her confusion she could remember that she somehow did know me from before and enjoyed our time together. I wish I could have kept her company longer. We greatly miss and mourn her loss. Haleigh Haleigh - September 28, 2016 at 03:27 PM

“Moma, I LOVE YOU SO MUCH, MY HEART IS BROKEN FOREVER. Thank you for giving me life I am sorry I could not be there to hold you as you passed from this life to the next as I had always wanted, but wait for me, my Mom, I will be with you and granny soon. How I miss talking to you and hearing your voice. I need YOU now more than ever. You are remembered by me, TERESA Marie Rosenfeld, your oldest daughter, my son, Justin-your only grandson, his son, Davin Michael -your only great grandson. I am so glad you were able to meet and hold Davin before you were stricken with illness. You are also remembered by your youngest daughter, Tina Rene NIEKAMP, my only sibling and sister, her 3 daughters,-Jennifer marie, Rachel, and Haleigh and their children -5 girls! You made possible the life of 12 decedents-3 generations that will continue. We are blessed by your gift of our lives. Moma I wish you were here to hold me because I can't stop crying for you and I was not ready for you to leave. Our lives are too short. In honor of my Mom, I urge anyone who reads this to hold your family close, hug them, tell them you love them, call them because it is never too late until it is. Any of my family may call my home if they wish, I welcome hearing from you and I LOVE ALL OF YOU DEEPLY. (918)258-0416. MOMA, I am 57yrs old, but I still feel like your little girl. I remember so manythings about you, like how much you loved to sing, you wanted to be a song writer and country music singer, you brought joy to people when you sang to them, you had a gift of making people laugh and you were a strong woman that could deal with anything that was thrown at you. I admire that and wish I could. I can only pray that you went, painlessly and with peace. I was told you knew you were dying and you were ministered and had reconciled that you were dying soon and you said you were alright with that and ready and that you said you had 2 daughters. Moma, you will always have 2 daughters who will miss you EVERY DAY until we see you again. I LOVE YOU SO VERY MUCH MOMA and I will ALWAYS miss you. YOUR BABY, Teresa (YOU ALWAYS CALLED ME BABY, even when I was an adult) I will always be your baby MOM GOOD-NIGHT. TERESA MARIE ROSENFELD -
