“ My Dad " Cecil Lowe " build Mr. Fosters home located off highway 51 years ago. They were great friends and George was also one of my best friends. He called me Terry Toe for some reason!!! Haha When my Dad died George told my Mother if she ever needed anything at all to please call him. He was unreal generous Man and a very hard worker. Mr. Foster you will be missed seeing you in that white Chevy or at Jims. A very strange thing is he died the same month as Dad and was buried a day before Dad's birthday. Never forget you George Foster. So sorry for your loss Foster family. Terry & Veronica Lowe
