“ *Keith I remember you like it was yesterday. Unfortunately, I had not seen you in many years, but told Scott I wanted to go and visit you. I regret not going the last time he and Seth came to see you. May you be resting in your eternal home. Your family and friends will forever remember you in our hearts.*

“ I am sick to read about this. I have searched for you for years but couldn't find you, my old friend. Thanks for the good times at St. Louis First Baptist Church. Sorry I couldn't play "Mary Did You Know" for you, as you requested. I didn't know. You have been on my mind. I guess this is why. I love you, my brother. Thank God I know where you are. I'll see you later.
