“Gretta was such a beautiful and sweet lady. I only knew her a short time (when she came to live with Jeanie). What a blessing she was and so very friendly - I loved her smile and caring attitude. She will be missed tremendously. Love and prayers for the family.

“I love you mama! I owe you everything that I am. I miss your friendship and love and I feel your presence in my home. You were everything a Christian mother should be, and I will see you in Heaven fair.
