“ *Rest In Peace Brother. You always had a story and a smile for anyone anytime. When times were tough you always kept things upbeat and you always bought donuts! You were the first guy that made me feel at home after I arrived at Ellsworth AFB in June 1976. I never forgot that. Because of people like you I still call that place home.....we will miss you Harry....you're one of a kind..thank you*

“ *As a family we would like to thank all who have lent a word of support, a helping hand and their shoulders. We had a beautiful service celebrating the life our father lived. He was happiest when doing for others and we will never truly know how many lives he touched. Despite his personal troubles he had a big heart that never stopped giving and we find comfort in knowing he is at peace. We thank the Pastors Ben and Heather for their well thought out words shared, the solidarity of the ceremony by the Color Guard and of course the wonderful Creek singers. The words of the hymns our Dad made familiar to us have been good medicine for our souls during this time. May God Bless each and every one of you. May there be Peace in the Valley for all*
