“ *I feel so very privileged to have met Janice over 20 years ago. We became instant friends. We only got to visit when we came to Coweta to visit our son and family but we have always kept in touch. I loved to hear her sing . She had a beautiful voice and put so much senserity into every song she sang. She was my prayer partner, My encourager,, my friend . Such a perfect example of true faith and unconditional love . She made a impact on my life as she has for so many others. One of the most giving and godly person I know. It was no secret how much she loved her family!!! They were her life. She will be greatly missed. She is singing with the angles now!*

“ *Our friendship started at the Assembly, but grew when we took on caring for Kaitlyn more than 20 years ago. We went through it, my friend. So grateful to have had your friendship, your faith and your love on my side all these years. See you soon.*
