“ *My Dearest Janine, I just found out you had passed. Frankly, I had been looking for you ; had been searching for you for years. Janine, all I can remember of you, and all I choose to remember, is that you were a treasure of energy, and beauty. I met you in the band room at Will Rogers High School. I would never have met your ' wonderful Sister, Jan Evonne. if it had not been for you. I sincerely pray that you reached a few of your dreams, Sweet One. I know you had them. I hope to see you once again. Love, Buzzy*
