“ Dear Debbie, I wanted to express my condolences at this time of loss. I have so many fond memories of happy times visiting you, your mom and dad when we came to Coweta. Uncle Cleetis was always so kind and gentle in spirit. A trip to your house was a real treat because he would take me out to see the little horses he raised. Aunt Jean's sense of humor, warmth and kindness will always stay with me. I still remember her delight in entertaining us kids with singing while we played around the house or were going somewhere in the car with her. It's funny (and special) how memories like that remain even after all these years. May God bless you and the rest of the family as you treasure the love she so unselfishly gave to others. Your cousin, David

“ I know it was a great loss for the family to give up a very nice person. I remember she rode with me on my golf cart in the Fall Festival about 3 or 4 years ago. She was a sweet person and never complained about anything, even if the golf cart was a little bumpy. I saw her at the Fall Festival this year but she had problems talking, I hope she recognized me, but it was nice seeing her again.

“ *Debbie and family, I am so sorry to hear of Jean's passing. She was such a wonderful lady and always had a big smile for me any time I saw her. What a great legacy of love and dedication she and your dad have left you. I pray that Our God will wrap his arms tightly around you during this time of sorrow --- just as he has his arms tightly wrapped around your mom right now. Sylvia*
