“Jesse was so full of life and loved to joke around and talk to all the staff and his peers when he was attending the Adult Day Health program at LIFE Senior Services. I am so very sorry that I missed his services. I was very fond of Jesse and enjoyed our chats. He will be missed. My prayers and thoughts go out to all of Jesse's family during this time.

“It was truly a privilege to know Jesse. Each day we would exchange hugs when he arrived at Life Senior Services. He always wore his hat and I'd tease him about looking so debonair and call him Spencer Tracy. My deepest sympathy to the family at this time of loss. My heart is heavy and grieving along with you.
