“ We loved JoAnne and her fun personality, her laughs and joy for life. She and I spent much time together but lost close contact after high school. Our high school class was very close and we will remember JoAnne with love. I had an opportunity to talk to her best friend, Albert, last week. My prayer is with her family and Albert. We are saddened.

“ Back in our day at CHS, Jo Anne embraced life at its fullest. That joyful personality must have made her a wonderful missionary. As always, the Lord knew who to enlist. I hope her dear friend Albert and her family members find some comfort in knowing that her classmates at CHS remember Jo Anne with love.

“ Jo Anne was always the life of the party with such a good sense of humor. She was a good friend and a true Christian. The class of 1968 at Chatham High grieves with her family. Rest in peace, Jo Anne.
