“ We always called him Tiger. My sister Camra Ketterman worked with Tiger for years. When I was pregnant with my son, at the time we didn't know I was carry a boy, but Tiger looked in my eyes n said he seen dots n told me I was going to have a boy. We use to play Poker in the break room at Kieths Place this was 1985-86. I knew all his kids. When Ruben was killed it really broke him. Tiger was a GREAT MAN. RIP TIGER!

“ Tiger was my go to man to get advise. He would always lift me up when I was down. Always had the other side of the coin for me to look at. He shared so much of his ideas about life in general. He shared his long term pain about his boy Reuben with me. He believed in God and the hear after. I will miss him for ever. Rest in peace my friend.
