“ JoMimi to my kids and I was a blessing in our lives. She instantly took Me and my babies as hers as soon as I got with her husband. I always felt loved and adored by her . I absolutely felt the same for her. Mimi was the kindest and straightforward soul Ive met. She cared for everyone and wanted everyone to enjoy life . She was also fun . She loved enjoying life. I remember many swim get togethers with her and my kids and what ever friend they dragged along at her home in Tulsa. When she retired and moved closer to us I was lucky enough to get to spend more precious time with her. She loved sitting under the tree at my place and riding the golf cart around remembering memories of her raising her boys here. She loved taking the great grandkids for rides and go down to the creek and watch them play. Once she was on that golf cart the dogs were hers aswell. They tagged along with her. She was a blessing and will be missed so much. Fly high beautiful soul!
