“Katy was so good to stay in touch with my Mom after we lost my Dad. She would come often to visit & always had interesting things to talk about. She was a sweet lady with a kind & caring heart. Even though she was related to our family by marriage, we always considered her to be a blood relative. Her smile & positive spirit will be missed by all who were fortunate enough to know her. My prayers are with Durinda, Scott, & their families that God will hold them close as they adjust to life without their Mom/Grandmother. She will be watching her loved ones from heaven on high.
