“ *Many times throughout our lives we have shared our thoughts, our hopes, our dreams. We have shared sorrow but most of all, we have shared joy. My cup runneth over. My dear friend, my brother, I never in a million years thought I could stand without you and look here at your little sis. You will be missed so very much Ken and I will hear your voice in the wind ...calling out my name. Ride high, bro and I will join you guys up ahead some day.*
