“ *My uncle Granvell was quite a prankster❤️❤️He had a great sense of humor and I loved to go back and forth with him. I believe he loved it as much as I did...He was the last of the Stout-Walker family. As he would say, they saved the best for last!! I will miss him and his teasing; I can just imagine that reunion in Heaven with all his brothers and sisters waiting there to greet him💕. Between the Stout-Walker family, there were, I believe, a total of 14 (hope I didn't leave anyone out!). All I can say now is we will see him again and until then, I love you Uncle Granvell, and will always miss you.❤️❤️*

“ For the past 16 years I have got to know and love Granvell. I have told him many times he is my most favorite old guy and he would just laugh at me. He is like an adopted grandfather and will be deeply missed. I am so happy to have the comfort in knowing he is in Heaven now and has no more pain. I love you Granvell!
