“ *Son; There are many things that I wish I said to you over the years. I guess that now you are gone I will never have the chance to tell you. Well here goes. I know that I was never around when you needed a father around, that is NOT your fault! When I did come around you were always smiles and laughs, I was hoping that was because I was there. Buying you a bike, was the only thing that I did that lasted, I was told that you rode that bike until the wheels gave out. After you were grown,, well that was different story, you had your friends that you hung out with, I would watch you from the porch and wonder if things would be different if I was the father that you deserved. Anyway things never work like we want it to. Now that you are gone I guess that it never will but the little I did know you was the highlight of my life. I love ALL MY KIDS, and that will never change. REST IN PEACE MY SON AND I WILL BE THERE TO TALK TO YOU ONE DAY! LOVE YOU DAD James (Jimmy) Jennings*
