“ *Always will remember having to get on my knee's to give her a hug ... had to do the same with her sister and my grandmother Laura. Its strange how they all made me feel so comfortable. I know she isn't far from us all. Love you Aunt Myrtle.*

“ *Mammy Sullivan was a very special person. She was a neighbor when I was young and as I got older. She always had a word of encouragement when you talked to her. She always had that sweet sincere smile. The day my daddy passed away she ran across the street to offer her help and she took my 5 year old daughter home with her to help me. I love this lady dearly. I want to express my sadness to all her family you were family to me and my family. I love all of her children and send my love to all. Rest In Peace my sweet friend. “ *She always had a word of encouragement and a big smile for all of us. Myrtle was a dear Mom to so many of us in the 'growing up' era. We deeply appreciated her, and owe her so very much. She gave so much love and sound advice. Will forever miss her smile.*
