“ Onis Holmes was such a kind and caring man. We saw him a few summers ago when he came to visit us in Southern California. We took him to the beach and he was able to dip his toes in the ocean for the first time in his life. He was able to see the Hollywood Sign, Griffith Park Observatory and a car ride down Pacific Coast Highway to see the beautiful coastline. We will never forget that special visit and how much we enjoyed being able to spend time with him. Our condolences to the Holmes family. Love, The Bailey Family
