“ *Working with Peggy at the bank was always a joy. We affectionately called her, Peggy Poo. She was always pleasant and was a 'people' person in every respect. I am a better person for having known Peggy Poo.*

“ As a kid Mrs. Brown was always very kind and gracious to me...not that I deserved it. My favorite memory is the mouth watering smell of her cooking potatoes. I couldn't wait to taste them and if asked always requested them. I didn't keep up with her and it saddens me that she is gone. I can only imagine how great a Grandma she was and how much the entire family will miss her. My sincere condolences to the family. God bless. Eric Boyce
