“ Randy will always be the longest known best friend I've ever had...and his memory is always brought up every time I tell a story to my kids and grand kids about some of the things he and I used to do. Randy's mom was really mad at us when we took his new mattress out and put it beside the house for a landing pad as we jumped from the roof....and that was just one of many many memories. He will always be in the hearts of my entire family... Chris & Rae Chris Allen - April 04, 2016 at 10:17 AM
