“*Robbie was a big part of my childhood and the best buddy a person could ask for. He was hands down the funniest person I knew and to this day, I still say a lot of his one liners. He was just the guy my mom needed when we were going through everything, and just the guy I needed. I'm thankful I got to see him before he went and I hope he knows just how much he was loved and thought about. I'll think about him every day til we meet again and the impact he had on me and my life even after we lost touch. I love you buddy 💎'💎 - Breanna*
