“ *Meeting Mr. Copeland was so special and not that long ago!!! Debbie is my best friend (sister) and I had heard her speak of him so often I felt like I already new him..... but after actually meeting him, and during unique circumstances, I totally fell in love with him!!! He reminded me so much of my own father with kind, soft and such concerning words for his wife..... who by the way had just had a wreck. I feel very lucky to have met and known this wonderful man that had such love for his family and I know God has a special place for this exceptional son, brother, husband, uncle etc. but especially DAD!!!* ❤️❤️❤️

“ *Loved Uncle Tunny. My best memory of him is when he and the entire family came to our house every 4th of July. Also, he sat with my family many times when someone was in the hospital.*
