“ *Ron & I were roommates after graduating from McAlester High School & had many good times together. We communicated up until a couple of years ago. I was really shocked to hear of his passing @ such a young age. He was just a really good person & will be sorely missed. My condolences to his family.*

“ *I am an older cousin of Ron's. I hardly knew him but was close to his mom. She often told me things that he had done for her. I know he was a loving son. He loved his daughter and grandson. Then he met Kathy and he was so very happy and loved that family. Please accept my condolences. Love and prayers Kathy.*

“ *Ron was an oak in the forest, strong, loving, smart, funny, tenacious. He could fix anything. He loved fiercely and those that knew him were lucky. Monte loved visiting with him and solving the world's problems. He will be missed.*
