“ I'm thankful for the memory of just over 2 weeks ago. I had the opportunity to spend time with Ronnie while driving him to Tulsa. My job brought me to him but we both were very happy that we had the opportunity and enjoyed the time we had to visit. This was us that day.

“ I remember my cousin when we were younger. We played outside a lot. I was recently glad to hear that he was nearby and was hoping to visit with him. Ronnie was always the one to joke and keep everyone laughing. I loved my cousin Ronnie.

“ I haven't seen Ronnie in many years...my memories go way back to growing up in Prattville. The Erwin's was our next door neighbors then, when we all ride our bicycles, run around the nice quite neighborhood. Ronnie liked to joke...always laughing and had a zest for life!! His sister and I have been best friends since all those years ago!! I wish them all my sincere condolences!! Lois Stafford

“ I will remember Ronnie as my little brother. We were less than two years apart in age and he was my first best friend. We played in the yard together digging holes in the dirt, making mud pies, etc. Regrettably, my contact with Ronnie has been limited through the years. However, last week, he and I spoke on the phone and we, as brother and sister, connected in a very special way. I was surprised when I got the call he had passed away so suddenly. I will always believe our last words together were a gift of God to both of us. We loved each other and told each other so. Those were our last words and I cherish those words forever. Today he is with the Lord in paradise. I will miss him. Love, Cookie 💎'💎
