“ *Our church has a Sunday morning service at Coweta Manor every Sunday. When Roy was unable to come, we began going to his room to sing and a sing and have prayer. I was so impressed by Roy. He might not be able to get out of bed, but he always threw both arms in the air in worship and sang every word to every song we sang. He was a great example to those of us who are healthy and whole. He always had a smile and was happy. I missed him last Sunday. I did not know that he was worshipping in heaven. I first met him at A Place Close to Home when my mom was there. Heaven is richer!
