“ Grandma, I just wanted to say I am thinking about you. I think about you everyday and I am happy for you but selfish for me. I know you are better but I will always wish for one more hug, one more word of encouragement, one more homemade pie. I want to call you at 10am and hear you tell me you're eating your cereal. I want to call you at 11am and hear you say you're watching Victor 🥺 I want to call you at 5pm so you can tell me I'm eating dinner, not supper (Or was it the other way around?). There are so many things I want, but what I want most is for you to be happy. Words are not enough and there could never be enough paper to write it on anyway. We all miss you so very much 💔💔💔💔 We also love you more 💚💜🖤❤️

💛💙
