“ *My husband Ron and I lived across the road from Sonny and Sharon for many years. They were the first people to welcome us there, and became some of our best friends. We ate at their house a lot, as they would call us when they "made too much". We played cards, and swam in their pool, and always had fun 4th of July fireworks, which Sharon loved to set off. Sharon was the sweetest, kindest person ever. She worked all the time in her garden, and planted flowers at the church in town. God gained a special angel when Sharon went home to him.*

“ *The Stones. What a dear, sweet family. I have many memories of your kindness to me in my youth. I never remember seeing Sharon without a smile on her face. She loved her kids tremendously and made everyone feel welcome. Although I haven't seen her for years, I mourn her loss. I pray for the family and ask that God grant them peace. I pray that they have comfort in knowing exactly where she is. She is safe in her loving Savior's arms. Jamie Bowman Danielson*

“ *Sharon, I had the pleasure of seeing Ben on the Saturday before Christmas and we were able to catch up on the years that have been lost. He's the same guy I remember and was so polite to my children. What I remember most about you was how kind you were when you gave my family , Cassie, the best dog I've ever had. You were always sweet and kind and you always made sure you gave me a soda when we visited your home. I can still envision thr game room where my brothers, Ben. and I would play. I'm quite sure that you will be sorely missed by your friends and family and I have peace and solace that your sweet and kind demeanor has earned you your beautiful wings. Blessing to your family ~ Joel Russell*
