“ *Sharron always encouraged me to continue loving people and serving others. Over the years I only have a handful of memories of her but each one of them impacted my life and I am a much better person for having known her.*

“ *Sharon..what an amazing woman of God!! I have fond memories of serving in the youth at Rhema Bible Church with her! She had such a passion to see not only our youth but people set on fire for Jesus and know who they are in Christ! We had many wonderful conversations during our season together in the youth. I'm so grateful for the incredible legacy that she left us all with her Glory Gang books and materials. My love and prayers go out to the family. She will be missed here on earth but I take comfort in knowing that she is in our future.*

“ *Sharon was always so caring and concerned for the youth! When we arrived at RBTC Elizabeth joined Axis Youth, and became part of the Discipleship program that Sharon taught. What a blessing this was! Sharon always had a heart to be about the Father's business and she impacted so many lives!*
