“ *We have known Shirley and her family for many many years and have some fantastic memories. After mother died in 1995 she was like a mother to my brother, sister and myself and was there anytime we needed to just talk. She will be missed!!*

“ *Shirley was our neighbor on 142nd E Avenue. She was one of the sweetest women I have ever known. When we needed help with my mother, we asked Shirley to become her caregiver. Just knowing that Mother was in her hands, gave me the peace of mind I needed to go to work during the week. When I told my son, Tim, of her passing, his comment was that she was great lady. She certainly was. I am so sorry for your loss. Shirley was one of a kind and I am better for having known her. Gayle Daulton*
