“ Lisa, and the very large and wonderful family that I have just read in Stanley's beautiful wright up about him that the nicest people in our town the Brown's do such a Fantastic job of for our Loved ones! I am wanting to give you ALL my deepest condolences and prayers at this oh so very sad time in life. I read one of your tributes, I believe your Papa, that you are going to see him again. And you said it was going to be in HEAVEN, praise the Lord and Thank you Jesus. For you are so right about that and it was a great blessing to me to read your words, and what a rejoicing that will be. I have to say that you keep that Heart, Mind and especially your Soul right there on the right track and Sweetie your time with your Papa in HEAVEN will surely be. Lisa Fanning Serzy I am so sorry about your Brother. It was a great shock to me. I have not been in touch with you in some time now, I guess we are all guilty of that. But I don't know if you can remember, but our Brother's when they were young. Rode the tires off those dirt bikes, and I don't know about your Momma, but Steve's (my brother) was buying tail lights awww Guess for a while every week or two. I know I have heard that the entire time we have been growing up..lol but yeah I can remember the two of them and they had a great time and a blast. I wanted to share this with you, I hope it gave you a moment of a great vision or a little smile to my long time friend I have not seen in a while, of a wonderful Brother Stanley as he was having some fun and enjoying his life. Please don't hesitate if you want to get together or need anything, please let me know. Love and Prayers, Mischele 'Chele' Denton
