“ Dearest Robin and Family. I am so sorry to hear of your husband's passing. Steve and I dated our junior year and our parents were friends through the antique business. I believe we, you and I, had opportunity to meet at one of our reunions many years ago. One of my special memories of Steve is when his parents sent him, by himself, to England to purchase antiques. I thought he was so brave to travel all alone. I have fond memories of our friendship. May the Lord continue to encourage you as you walk through your time of loss. Sincerely, Harold and Nancy (Bell) Swart
