“ *I loved all of my aunts but if I had to pick a favorite then I would have to pick Aunt Geneva. Maybe it is because I was around her more growing up, maybe it was her wit and humor. Her passing is a passing of an era for me. Aunt Geneva will forever be in my heart.*

“ *Aunt Geneva lived a long and simple life in one place ... she loved her husband, her children, her grandchildren and nature ... she hung out not one but many hummingbird feeders and her yard was always glowing with blooming flowers... Aunt Geneva lived and loved life. She will be missed by so many and I look forward to seeing her again when she will be young and vibrant. God promised a time when death would be no more. Rev 21:4*
