“ Watching the baseball game between my Royals and your A's just won't be the same. I love it when your team looses the series and you have to sing "Take me out to the ballgame". Or my birthday when you sing "happy birthday." Full disclosure, I always knew it was you calling so I would let the answering machine record you before I picked up. I love listening to you sing. I always have. I will see you again Mama, I love you I love you I love you.....
