“ *Growing up, Jane was the coolest mom there ever was. I remember weekend after weekend, time and time again, Jane and Jaletta's dad took time out of their own lives and shared it with all of us kids. They too us bowling, skating, to games, movies, etc. for us to have fun. And we did. Every time. Each kid dropped off at their house had a smile ear to ear. Jane cared. She always put others first. She was a terrific woman and mother, who truly loved her family. Even though all of us kids weren't related, she was our mom too. Thank you Jaletta's for sharing this beautiful woman inside and out, showing us the love you two had for each other, and the wonderful memories a child could ever have. God bless and prayers for you and family.*

“ Growing up and even after Jane was like a second mom for me. We worked together and played together. Sheridan Lanes never got tired of us! Jane was a great mom and grandma and an even better friend. She will be missed by all who knew her. Oh how I wish I could be there right now to love on her children and grandchildren. I'll see you again my friend. 💎'💎'💎'💎'💎'💎'💎'💎'💎
