“ *Willie was my third cousin, but i always knew him as uncle willie. I loved him dearly and he is truely missed. He had more love for his family than any one I have ever known. It did not matter what he had going on in his life, if he knew that you were sick, or needed anything at all he was always there. He did everything in his power to be there for you and most of all to let you know he loved you. I will miss him dearly. I love you "uncle" Willie.*

“ Bill and Janell have been my neighbors for 25 years. Bill has always been a special man to me and my kids. Didn't matter if I was mowing the yard or just working outside, if he was driving by he would always stop and get out of the car and come and talk for a minute. He always asked how the kids were doing. He would tell my son he wanted to ride in one of his hot rods if he ever got it fixed up. Bill you will be deeply missed by me and my kids as well as the rest of the neighborhood. Rest in " " " " " " peace dear friend.
